Chapter 1 by Grace1517

What can I do now? That was my first thought before strange figures in black cloaks came and took me away.

I woke up in a strange room and looked around, where was I? There was one light in the entire room and it was hovering over my head, threatening to fall on me. What can I do now? I thought again. How could I get out of here? I needed to get back to my little sister, she was depending on me. After all, there are only a handful of humans left on this world and it's kill or be killed...

But I couldn't move. My hands, feet, arms with all tied very tightly. Duct tape over my mouth. I didn't know how I could escape, even if I could I didn't see any doors or ways to get out of this dark room. But I kept one thing on my mind, my sister Lilly, she was the world to me so I focused on her to motivate me.

Then there was a bang from behind me. My heartbeat quickens as I strain my ears to get a hint of what was behind me. It was a person. Persons? People? I wasn't sure. But someone touched

Chapter 4 by Amelia Rose

The blonde one was grinning gleefully, the brown haired one's expression was blank

"Hello, pretty girl!" The blonde one said.

I tried to scream at them to let me go, but the duct tape stopped me, and it came out only as a muffled cry. The blonde laughed.

"Shouting won't get you anywhere, girl. Obeying us will." He said, and his hand grabbed my cheek. I tried to dodge him but failed, and he ripped off the duct tape and kissed me fully on the lips, tasting like alcohol and sweat.

Tears pulled to my eyes and I couldn't move. When he pulled away, I was completely still, trying to hold in a scream, and he laughed.

Chapter 5 by Julian Farrer

I smashed my head into his, blood pooling on the floor. The other boy pulled out a gun, and as he pulled the trigger, I shoved all my weight to the floor, the bullet grazing my leg. Suddenly, I was trapped, as the boy held the gun towards me and as I closed my eyes-BANG! I opened my eyes and watched the boy drop to the floor dead. Then the other boy fell with a flash of red. I looked up at my rescuer. Lilly!!

Chapter 6 by Isem

"LILLY!" I call out to see her, looking at me with such disappointment.

"Lilly.." I began to say, but I was only cut off the sound of her shooting a bullet into the blonde guy.

It was silent as she looked at me. I could barely make her figure out with the pale moonlight coming in the door, and light of the glaring above of me. Yet my eyes strain to see, I could from

You promised. You promised to tell me what happened to the blonde girl. What did you promised her? She needed

"Lilly I didn't....."

" I don't care, it's already too late" she replied cold and heartless.

She walked closer to me, I could see all her face. Mad and angry, at me, at the world, at the fate which was inevitable for the both of us.

She began to walk back to the door

"Lilly, where are you going," I asked confused

" I needed you, and you weren't there. It's killed or be killed right, too bad you're dead to me already."

What can I do now ?

Chapter 7 by Siena

I tried as hard as I could to get out of the tight ropes to follow her. "Lilly!" I cried "Please!" I wailed with a hopeless voice. I sat there crying, alone, on the cold cement floor thinking 'Why? Why can't she understand?' I tried to call her again. "It's not my fault!"

I sat there for a while. I was a little bit more calm. I didn't know what to do at all. I lay there motionless. Suddenly I heard a scream. It was Lilly's. I soon heard a thud next to my body. I turned my head. I was right it was Lilly. Before I could say anything my chair was lifted and placed on its legs again. A gun was placed in between my eyes. A tight grip cupped my mouth. I saw Lilly in the corner of my eye sobbing. A deep, frightening voice said "Don't move."

Chapter 8 by Julian Farrer

As I froze, the figure behind me put a gun to my head. I could feel the cold metal caressing my neck. And then they pulled the trigger.
